Looking Ahead to 2026

Our people

It is a privilege to be part of this work and to witness, each day, the faithfulness of God through Hannah's Home. Every woman who comes to us carries a story marked by hardship, but also by the image of God within her. In the midst of brokenness, we have the opportunity to walk alongside her as the Lord begins to restore what has been lost bringing healing, renewing hope, and creating a path forward for both her and her child. Our calling is clear: to meet her where she is and help her build a life that is stable, healthy, and rooted in truth. Not just for a moment, but for the long term.

This year, God expanded that work in meaningful ways. Through Hannah's Harbor, we launched a job skills training program through a thrift store model equipping women with confidence, responsibility, and practical tools for employment and independence. We also launched a brand new digital platform, DwellWell, that has strengthened how we care for our residents each day, allowing our team to serve with greater clarity, consistency, and excellence.

Each step forward is a reminder that this is the Lord's work. He is the one who restores, provides, and makes lasting change possible. In a culture that often speaks discouragement, we remain committed to truth: through Christ, her life has value, her future has purpose, and restoration is possible. Thank you for being part of what God is doing here. Your support allows us to continue this work, serving each woman with compassion, truth, and hope.

With gratitude,
Vicki Krnac
Executive Director

MISSION

We are a Christ-centered life-affirming maternity home for women who are in crisis.

VISION

To promote the Gospel of Jesus Christ by providing a safe and nurturing home to pregnant women where they can establish and grow a personal relationship with Jesus Christ while learning biblically-based life and parenting skills that will equip them to create vibrant Christ-centered homes for their children.

“My heart exults in the Lord; my strength is exalted in the Lord . . . There is none holy like the Lord; there is none besides you; there is no rock like our God.”

(From Hannah’s song found in 1 Samuel 2, a song of praise to a God who reverses human fortunes by His mighty power, a song of the Creator who protects the faithful.)

VALUES

- Faith First: We place Jesus Christ at the center of everything we do—from daily devotions to long-term planning.

- Sanctity of Life: We believe that every life is created in the image of God and has purpose, value, and dignity.

- Grace & Growth: We meet each mom with compassion, patience, and a path to healing and maturity.

- Stewardship: We manage resources, relationships, and time with integrity and care.

- Community in Christ: We foster authentic relationships among moms, staff, volunteers, and supporters—united by the hope of the Gospel.

Milestones from 2025

Each year brings its own challenges, growth, and victories, and 2025 was no exception. Here are some of the key milestones that shaped this year at Hannah's Home:

1

March — DwellWell Implementation

In March 2025, Hannah's Home implemented DwellWell, a digital platform designed to streamline day-to-day operations and strengthen data tracking. This tool allows our staff to better manage case notes, track resident progress, and measure outcomes — ensuring every mom receives the attentive, personalized support she deserves.

2

July — Hannah's Harbor Renovations Begin

In July 2025, renovation began on the space that would become Hannah's Harbor, our community thrift store and job skills training program. Work included new flooring, fresh paint, electrical and HVAC updates, and a custom-built checkout counter — transforming an empty space into a place of purpose.

3

September — Hannah's Harbor Grand Opening

On September 5th, 2025, Hannah's Harbor officially opened its doors with a ribbon cutting celebration attended by church donors, community members, and representatives from the City of Mentor. More than a thrift store, Hannah's Harbor provides the women of Hannah's Home with hands-on job skills training while giving the community a meaningful place to shop and make a difference.

Job Skills Training Program

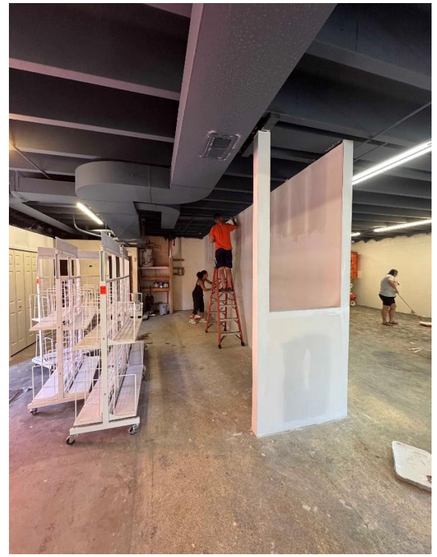

Thrift store renovations

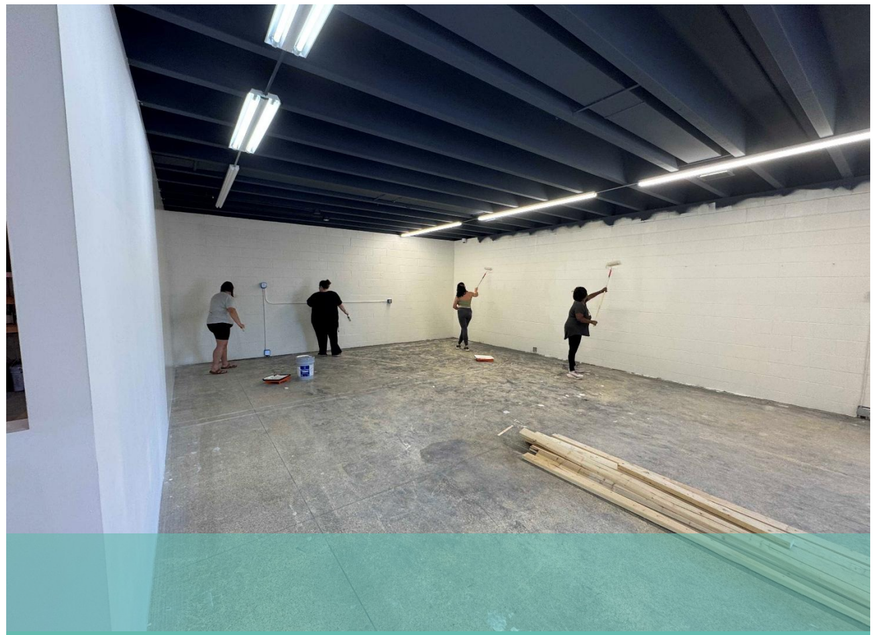

Before **Hannah's Harbor** could open its doors, it needed a complete transformation. Beginning in mid-July 2025, volunteers and contractors worked to turn an empty space into a welcoming, fully operational thrift store.

Renovations included painting the walls and ceiling, installing new flooring, completing electrical and HVAC work, reconstructing walls, and building a custom checkout counter. Every nail and brushstroke was a step toward creating a place where both the community and the mothers of Hannah's Home could thrive.

The grand opening was a milestone celebration, bringing together church donors, community supporters, and representatives from the City of Mentor to mark the occasion. Volunteer Spotlight: Shane Jones

Shane has been a volunteer at Hannah's Home since September 2024. When asked what volunteering at the Home meant to him, he shared:

"Volunteering at Hannah's Home has truly been a blessing in my life. Every time I'm there—whether it's counting coins for the baby bottle campaign, installing a spice rack, or giving a morning devotion—I see God working: restoring hope, rebuilding strength, and reminding each woman that she's loved and chosen.

For me, it's not just about helping out or fixing something that's broken; it's about watching how God turns pain into purpose. I've been through ups and downs in my own life and was the only child of a single mother who faced her own struggles, so being able to share encouragement and show that He never gives up on us means the world to me and makes my heart smile. I feel I'm making a difference not only in each mother's life and her overall well-being, but also in the life of the child who walks this journey with her.

Hannah's Home is more than a volunteer spot—it's a place where God's grace shows up every day, and I'm just thankful He lets me be part of the blessing!" -Shane
